SUMMARY

- Encourage seamless teamwork to maximize collective potential.
- Utilize shared goals, open communication, and collaborative tools to enhance productivity and achieve common objectives.
- Contributes grey matter to enhance and made company growing in the future.
- Guided by the philosophy of F.C.F (Friendly - Crazy - Flexible), I firmly believe in cultivating a work environment that is not only characterized by friendliness and flexibility but also embraces a certain level of creative craziness.
- Short-term goal: Become a team lead within 4 years.
